Versus
THE STATE OF BIHAR

15/ 20/8/2008. Heard learned counsel for the petitioners and learned counsel for the State.

Learned counsel for the State files a second supplementary counter affidavit.

The Court had earlier expressed its anguish for lack of scientific investigation by the police and the absence of proper facilities for training of such investigation procedures.

From the second supplementary counter affidavit filed on behalf of the State it appears that the State has taken the anguish of the Court seriously and that steps have been taken for acquisition of land at Rajgir for purposes of setting up a police training institute. Pending the same, a scheme has already been drawn up and detailed statements have been made by which police personnel engaged in investigation are being sent to other States for specialized training.
